an ancient church for future generations

Join the Friends of St Leonard's Church Hertford's Most Historic and Important Church

Membership of the Friends is open to everyone who cares about and has an interest in the Church of Saint Leonard, Bengoe.

We are a group of volunteers working to keep St Leonard's church open and available as a centre for Christian worship and a place of peace for the people of our community. We have been entrusted with the care of the oldest building in Hertford, linked by our love and care for this place.

Over the years our fund-raising efforts have purchased a new organ, chairs for the church, the lighting and sound reinforcement systems, choir stands and hymn books, funded conservation work on the paintings of Moses and Aaron, as well as providing for the survey of the wall paintings, restoration of the funeral hatchments, and most recently, installed a water supply direct to the church.

We are developing plans for the future to make St Leonard's Church accessible to more people in our community and need your help and support.
